You all remember the famous Logo Quiz games in which you had a logo given with some parts of it deleted and you need to guess which it was. A new version of this game has been released by Thinkcube Inc. It has lots of entertaining levels which you need to solve and train your brain. Word Relax is the ultimate word game with an almost perfect rating score in both App Store and Play Store which is driving the word games addicts crazy. It looks like an easy game at the beginning, but it gets a lot more challenging over time. The gameplay is very simple. You play by connecting letters in any directions to form the hidden words. The fun part about this game is that it pays you to play. The more levels of Word Relax you solve the more money you will make which you can cash out once you reach \$20. Since most of the words are difficult and since you are already here then chances are you are looking for help. Look no further because we have just shared the answers below with you.3 Letter Answers:IONNOTTINTONTOO4 Letter Answers:INTOMINTMOONMITTOON6 Letter Answer:MOTIONreport this ad Here is another 4 picture game, very much the same as the others. This time it is brought to us by Loga Games who have made several bubble shooter games and some other picture guessing games. There are 150 levels in total and these levels are totally random, so you will need to look through the thumbnail pictures below if you need help! Levels in Guess The Word - 4 Pics 1 Word have been randomized so we can't always get it right. Look at level variations below or check our main page for this game.
